

INNOVATION AFRICA 2017

Tour Packages

SAFARI ADVENTURES

KRUGER NATIONAL PARK

1 DAY (OPEN VEHICLE)

SOUTH AFRICA

Kruger National Park is home for the Big 5, but also many other creatures. Hundreds of Species of Mammals, Birds, Reptiles and Amphibians, abundantly distributed on diverse and unique vegetation. This creates a very scenic and beautiful Landscape. Kruger is one of the icons of the African Continent. A must visit place, just 120Kms from Maputo. You will have the chance to see a big variety of animals that inhabit the Park in their natural environment.

BEACH BREAK

Inhaca Island

1 DAY

MOZAMBIQUE

Approximately 30 km's from the Capital City lies Inhaca Island. This isolated place provides an unique environment for those that enjoy quiet beaches with clear water and near by reefs. Only 45 min away by boat, inhaca stands as a perfect getaway from the city. On the way back to Maputo there will be a quick stop at Portuguese island.

CULTURAL & CITY BREAK

GLIMPSE OF MAPUTO

3 HOURS
MOZAMBIQUE

Maputo, the Mozambican capital city is a result of several cultural, political and social changes through time. Today, the old merges with the modern tendencies as the transformation continues. Throughout time, the change along the country and especially the city of Maputo has been complex but also incredible.

After a devastating civil war in the Country, Maputo is now being transformed into a more cosmopolitan city without losing its original traits, that truly defines the city's soul.

The tour includes visits to the most iconic places of Maputo:

The Railway Station, The Central Market, FEIMA, Art Craft Market, The Fortress, The Museum of Natural History and the Iron House.

Note: The museums are closed on Mondays – alternative locations will be added to the tour as a replacement.

SAFARI ADVENTURES

HLANE ROYAL NATIONAL PARK

1 DAY OPEN VEHICLE
SWAZILAND

Just across the Lebombo Mountains from Maputo is Hlane Royal National Park. One of the smallest Countries in Southern Hemisphere, is also one of the largest in its cultural diversity. It is one of the true last Monarchies of Africa. What characterizes these people is their complete open friendliness and constant smiles. Hlane is a very calm and welcoming place. It is perfect for the family and it is also very known for its large numbers of White Rhino. The Park has a very big and perfectly located waterhole just in front of the restaurant area.

CULTURAL & CITY BREAK

CULTURAL SWAZILAND

1 DAY
SWAZILAND

The beauty of the Kingdom of Swaziland is the people warmth and strong cultural roots. They express this in various ways: in their dance and natural arts.

The guide will assist with the transition process at the border. The tour includes visits to the village where it is possible to watch a local dance performed by the local people and also have a chance to visit a Swazi typical homestead.

Waterfall, candle factory, craft center and gardens where it is a great opportunity to see some interesting bird species.
